Section 2

Q-3

Ans

Vijaypuri Village
Almora
21 March 2018.

To,
Executive Engineer
Electricity Department
Almora

Sub- Requesting to make arrangements of electric supply in night for atleast 12 hours.

Sir,

I want to draw your kind attention towards lack of electric supply. Since two weeks there is frequent power-cut in our village. People/villagers is facing the problem. Especially school going children. They have to face the problem that is disturbing them for studies.

Previous week we also wrote a letter to your department but with no effect.

Therefore we request you to check the problem as soon as possible and avert it ~~before we protest~~ and supply the electricity at 12 hours in night before we protest.

Yours Sincerely
Ashish.

Q-4-

Ans 7 - School Games.

Our school has a big playing ground. All the students play various games in half-time as cricket, badminton, chess etc. Our principal sir also organizes many game competition. Students take part interest and participate in that games.

Most of the students like cricket. They have to play cricket. Our teachers also support us in games. They tell us many rules that how we can play games. All the students enjoy the games. Most of them play and remaining students muster up our courage and interest towards the games. Most of the girls students also like to play cricket.

Q-5

Ans-5-

Holi is one of the very important festivals for Hindu. It is celebrated in the month of March. This year Holi is celebrated on 1st March. For celebrating festival our principal gave very kind wishes to us. In two days holiday we went market and buy different colours. In 'Hindu Dharma' people make a famous dish call 'Guriya'. That they we played holi very happily. Many neighbours came we greeted them and enjoyed too much. We danced, played colour with water. Thus a conclusion on a message we got that we should play Holi's festival with joy not with injurious things. And ~~at~~ I should also tell to others that Holi is for greeting each other not for fighting or other unnecessary work.
